About Me

I have good interpersonal skills, am an excellent team worker and am keen and very willing to learn and develop new skills. I am reliable and dependable and often seek new responsibilities within a wide range of employment areas. I have an active and dynamic approach to work and getting things done.

Experiences

1. CodeClause Internship (Duration: 1 moths)

During my internship at CodeClause, a web development firm specializing in e-commerce solutions, I gained experience in front-end and back-end development using technologies such as HTML, CSS, JavaScript, PHP, and MySQL. Through this experience, I developed strong problem-solving and communication skills.

2. Sync Interns Internship (Duration: 1 months)

At Sync Interns, a startup that develops software solutions for small businesses, I had the opportunity to work on several web development projects. I gained experience in responsive web design, SEO, and website optimization. Additionally, I learned about project management and worked closely with clients to ensure their needs were met.
